2015-2016 Band Fees

In order to simplify the collection of funds for the Odem Bands we are going to continue to collect our Student Fees for band. This fee will pay for items students are already expected to purchase plus an additional \$50 per student to help offset other costs. The **Spring Fee*** is reduced to \$0.00 if a parent volunteers in the Concession Stand for the Band Boosters one night during the Fall Football Season. One parent will count for a family if there are multiple students in that family.

High School Fees:
