## ODEM HIGH SCHOOL MARCH-A-THON

Tuesday, July 31st 2018

### INTRODUCTION:

This event will be a major fundraiser of the band program. During the weeks prior to the event, students seek donations from friends, family, neighbors and even local businesses. Donations can be per minute or a flat donation. The money earned will be collected by the students and placed into the General Expenses Fund to offset some of the costs of the Fall season and the new band hall.

Example 1: If Grandma decides to donate \$0.50 per 1/10 mile towards the March-A-Thon and the March-A-Thon is 4 miles long, then Grandma Mary will need to give you \$20 ( $\$.50 \times 40 = 20$ ).

Example 2: If your Uncle wishes to donate a flat amount of \$50 then Uncle John will need to give you \$50.

### COLLECTING DONATIONS:

Money must be collected and turned in BEFORE the start of the March-A-Thon. We can accept cash, money orders, or checks. All checks or money orders should be made out to Owl Band Boosters.

### BAND BOOSTERS:

Please write the driver's license number on all checks as well as the student's name/MAT 2018 in the memo line.

Drop off your properly filled donation form and collected money to the Owl Band Boosters in the band hall

Donation amount and payment method must be logged on your form for tracking purposes.

Additional March-A-Thon forms are available in the band hall.

### GOALS:

Every member of the band has a GOAL of \$100 in donations.

(100 band members  $\times$  \$100 = \$10,000)
